Organization

of the

City Government for the Year 1943

The city government for 1943 was organized Monday evening, January 4, at a meeting held in the main hall of the Opera House and Mayor Henry J. Proulx delivered the following inaugural address:

Mayor Proulx's Inaugural

Reverend Father, Members of the City Council, Ladies and Gentlemen:

Reeling somewhat from a shock of events that found us involved in war, and stunned as a result during 1942, we are gaining composure and sense security as we overcome the darkest moments witnessed in the history of our nation; we can give thanks to God for the guidance and counsel that allows us to be a free nation tonight and to be optimistic as we look forward to this coming year, hopeful and confident that in this struggle for human mankind and to preserve our integrity as free Americans, that way of life which was patterned or moulded by so many peoples who found harbor in this land they pioneered, sacrificed and suffered for will not have been in vain.

We must be a favored people to have received this breather for our preparation for this world conflict, predicated by such ruthless men whose overt acts dim the atrocities of conquest read about in our ancient and Roman histories and partially excused because it occurred in the early ages, or when civilization was not credited with its advance culturally or socially, we must be a favored people in behalf of whom the supreme sacrifice of slavery is now being expiated by subjugated countries of Poland, Czechoslovakia, France, Belgium, Greece, Yugoslavia, their inhabitants dying of starvation and enslaved by the conquering Nazis, while given time to prepare; we must be a chosen people to have as allies the Chinese unconquerable and resisting with bare hands that a future will be offered and inherited; in Russia, a people that will not die

without the will to live, absorbing the might of the Axis war juggernauts, and an England whose courage, though proving wrong the myth of invincibility, alone for over a year reminds us, that that liberty and its privilege are the rights of men and women with stout hearts who must live, if a Christian world will exist.

Awakened to itself as a nation, we encounter and face squarely the year of 1943, accepting a challenge and going forward to meet our heavy responsibilities due mankind made possible by a preparation of a year to meet the enemy whose conquest will offer hope and peace, providing we are united in this, our greatest trial and that efforts be untiring.

As a nation of doers, although totally unprepared a year ago, we are miraculously meeting the Axis threat by furnishing that steady stream of tanks, planes and guns which we have proven the ability to produce and we have brought hence to the common enemy of God and mankind by their use the thought that we have to survive for ourselves and for this war-torn world. To the manpower of this nation, both on the home front and in the field of action, men and women, we salute you in our hearts here tonight upon whom can be relied and entrusted the mission to prove that might doesn't make right, but that might offered by a generous and a free nation will overcome the lust of man. This is mankind's greatest crisis and our community with others in this land offers its best to meet it, confident and hopeful we look ahead to the year of 1943, because we are better prepared, although this road will be difficult and heavy; this crusade for existence is a crusade to preserve mankind, and Christianity the hope of our lives; we bow our heads resigned and resolute to accept any sacrifice we may be called upon to bear if necessary, that a world might live in peace in the fear of God for the happiness of human mankind; to the mothers of this community and all communities of our land in whose hearts rests wearily the vigil until the proclamation of peace, we resolve and dedicate ourselves that this shall not be a war in vain but one that will write a peace that will last forever a peace, a monument dedicated to the brotherhood of man.

This is a fight between a slave world and a free world, everywhere the souls of men are letting the tyrant know that the slavery of the body does not end the resistance—there can be no half measures—North, South, East, West and Middle West—the will of the American people is for complete victory—no compromise with Satan is possible. We shall not rest until all the victims under the Nazi yoke are free—we shall fight for complete peace as well as a complete victory.

For the fourth consecutive time through your confidence and indulgence, I am honored to be delivering you an address of inauguration, and for this I am deeply grateful, and may I thank you all as fellow Democrats, and independent voters to whom a pledge for Good Government is not meaningless, and whom in spite of the theme of the past campaign the bitterest in our history in which the opposition played more than an undying active part again, proves that serving the greater number of people without fear of contradiction, and the will of courage and determination to serve all impartially has its virtues and a reward if a policy of government becomes the rule rather than the exception. With all the influences of gold, coercion, propaganda, bigotry and hate, free men exercise the privilege of voting the dictates in their hearts, and this is a way of life that these United States offer and for which men will be dying as a necessity to preserve. If I may digress, may I say greed and lust caused this war which we are fighting to stamp out and as long as free men have courage they will oppose these designs, although it is quite accepted in some quarters, that only a few should be privileged to govern.

Through information that is quite reliable it would be interesting to read the names of subscribers to the past campaign and the amounts subscribed, a greater number of them benefitting in reduction of taxes with others for the first time in the history of this community in amount aggregating to $100,000. A reduction of indebtedness of $123,000 in three years not even challenged as the record will show, and with public services that have never been excelled in our history as a city government. I can readily understand the antipathy of some taxpayers who were asked to meet more justly their proportional part of taxes and were assessed accordingly. Their position in this election, heretofore others were paying the freight, their cause was justified I hope and then the sincerity of the many who voted because they thought they were right, the greatest privilege to man in the greatest country and that is what makes it so, for them I have the deepest admiration but to the whisperers may I quote Carl Sandburg who in one of his writings and biographies of Abraham Lincoln, said "For thirteen years I have worked hard to take Abraham Lincoln away from religious bigots and professional politicians and to restore him to the common people to whom he belongs," to which I might add, vain but fruitless.

In previous years treating with the problems to be met by our council in our government, forecasts we made with corrections of certain conditions that were existing in our government and for the common interest of our community every effort was made to meet these changes.

As in previous years our endeavors will be the step forward to continue the policies of past administrations in an effort to progress and if possible to be of further service to our community as the delegates and trustees of this great corporation. As in the past we invite your cooperation and constructive criticism, knowing that mistakes will be made, viewed from a human character, and to remember that this is our community deserving of the best efforts from inhabitants and government.

Approved by the National Relations Board, an adjustment of wages has been made to meet the conditions of living and to secure for the city a personnel qualified to be employed. In all departments we have men and women whose services are at a premium and in demand and who are capable of bidding for more compensation than heretofore given. In this day when the invitation to reach for wages now being paid in our surrounding communities and in the war endeavor, would be in itself excuse sufficient to resign from our service. This increase in wages this year will be an addition to our budget of the sum of $9,000.00, an experience being met by all cities and communities.

May I also remind you that the municipal income in 1943 such as auto permits will have a depressing result on our returns which is unescapable, and will seriously affect amount to be raised by taxes, at all times the factor in establishing a tax rate, but you may rest assured that this council as in the past three years, will exert every effort to meet the straining conditions experienced by this war which are unpredictable contingencies that might arise, with the same policies and efforts they have shown in '40 to '42.

At this time I would like to acknowledge the efforts, the courtesy and diligence of the official family for their services rendered in the past year from the city; in all my experience I have never received such cooperation and I know as a result this has been appreciated and felt in our community.

In our praise, we should appreciate the efforts of the City Clerk and Deputy City Clerk, while under trying conditions, were successful in saving all city records when threatened with a fire that paid a loss of $5,100.00; in this connection it is my opinion that all loss has been covered by insurance and restored.

Both fire and police chiefs, and their departments, should be commended for their coolness in this emergency when our auditorium was receiving the members of the Grange Convention, about 800 in number, who are in high praise in their letters to

the city government for such efficient officers and their personnel, and who were evicted from the building without a mishap. The state has no finer departments than these two, or any more efficient.

The Relief department under the guidance of the administrator of relief, has made progress deserving the highest praise, for its administration and fairness to people needing assistance. A great effort has been made to rehabilitate them as much as possible, a step in the right direction and one that has shown results, both gratifying to city and county.

The Highway department with a personnel of fifteen has been doing the work of a greater personnel compared to past years. In the past years, it was possible for that department to draw from 10 to 20 men from the relief department and for which there wasn't any payroll. The equipment supplies are an asset and a reflection of its care. The balance in the budget for that department emphasizes judgment and efficiency.

Our librarian and her staff, efficient as always and courteous without a fault, with assistance of trustees have a refreshened home in paint and improvements and soon will have newly finished the Draper Room for the convenience and comfort of the Library's patrons. I know that you will all be pleased with the results of our water department probably making its best steps in its history, when the report is read, and bear in mind this was a department or utility that was at one time recommended to be sold. Its detailed information will have us all feel that this department has ceased to be a closed corporation and one operated for the interest of the people.

May I stress to all departments, that this year with taxes in every form coming to people helping to support and prosecute this war, that we can show our appreciation for confidence placed in us as public servants, by using every short cut method to cost in the operation and conduct of our departments, without impairing its efficiency, expenditures may have to be made but in keeping with the spirits of economy and the far thought of being able to get along without it if possible, let us help those who help you and that is the taxpayer, to make it easier.

To the committees of departments of the council who served and agreed in trying to further our betterment in our city policies for the past year, may I thank you for your efforts which were many and appreciated.

To my worthy opponent in the last election, who waged a clean and vigorous fight and who will be sitting at the council table this year, I would invite any suggestion you might have to offer to further our government in its advancement, where the gag rule never applies and the opinion of every councilman has always been given open consideration.

May I quote you from Jefferson's first inaugural address in 1801 which I believe is a thought of merit in closing. I quote: "Let us restore to social intercourse that harmony and affection without which liberty and life itself are but dreary things. And let us reflect that, having banished from our land that religious intolerance under which mankind has so long bled and suffered, we have yet gained little if we countenance a political intolerance as despotic, as wicked, and capable of as bitter and bloody persecutions."

May I wish you all a happy and victorious New Year.

City Government

CITY COUNCIL

Mayor

Elected annually on the fourth Tuesday of November. Salary $200.00 a year.

Henry J. Proulx

Councilmen

Elected by wards for three years. One member from each ward elected on the fourth Tuesday of November annually. No salary.

	Term expires
Ward 1—Horace A. Kelley	January 6, 1944
Andrew J. Whittier	January 5, 1945
Colin S. Jones	January 3, 1946
Ward 2—Henry Chamberlain	January 6, 1944
Auguste Massicotte	January 5, 1945
George Lacroix	January 3, 1946
Ward 3—Parker E. Sawyer	January 6, 1944
Earl S. Sargent	January 5, 1945
Michael E. Burke	January 3, 1946

Standing Committees of the Council, 1943

Highways—Massicotte, Sargent, Whittier, Sawyer
Sewers—Whittier, Sargent, Massicotte

Norwich, Vt., January 15, 1944

To the Honorable Mayor and City Council
Franklin, New Hampshire
Gentlemen:

We have audited the General Fund accounts of the City of Franklin for the year ended December 15, 1943, the account with Trust Funds of the City for the year ended December 31, 1943 and the accounts of the Water Department for the year ended December 31, 1943.

It is our opinion that the accompanying Exhibits and Schedules, as indexed on the preceding page, correctly present the operations of the City for the periods audited, the financial condition of the City as reflected in its General Fund accounts on December 15, 1943, the status of the City's Trust Funds on December 31, 1943, and the assets and liabilities of the Water Department on December 31, 1943.

Respectfully submitted,

Peisch, Angell & Company.

CITY OF FRANKLIN, NEW HAMPSHIRE

Location of Apparatus

Hose Company 1, South Main Street

Federal Truck, American LaFrance equipped, 500 GPM pump, 1,200 feet of 2½ inch hose, 1 foam, 1 soda and acid extinguisher, 1 24 foot extension ladder, 1 12 foot roof ladder, 6 lengths of 4 inch suction hose, 100 gallon booster tank, 150 feet of ¾ inch booster hose, 1 10 foot pike pole, 2 1⅛ tip 2½ inch nozzles, 1 fire axe, 1 1 gallon oil can, small kit of tools, 10 uniforms.

Central Fire Station 39 West Bow Street

Engine Company 1

American LaFrance type 75, 750 GPM pumper, 40 gallon booster tank, 200 feet 1 inch booster hose, 1,000 feet of 2½ inch hose, 2 smoke masks canister type, 1 24 foot roof ladder, 1 24 foot extension ladder, 2 2½ gallon soda and acid extinguishers, 2 hand lights (carpenter type), 2 kerosene lanterns, 1 1½ inch fog nozzle, 1 Bresnahan revolving nozzle, 1 8-foot pike pole, 6 lengths of 4½ inch hard suction hose, 1 length of 4½ inch soft suction hose, 10 uniforms, 1 salvage cover.

Engine Company 2

Reo truck equipped with a 250 GPM pump, 80 gallon booster tank, 150 feet of ¾ inch booster hose, 800 feet of 1½ inch hose, 2 24 foot extension ladders, 4 lengths of 3 inch, 6 soda and acid extinguishers, 1 15 pound carbon dioxide, 1 250 watt portable light and generator for power taken from engine, 1 officer's hand light, 4 uniforms, 3 pails, 1 bar, 1 axe. This truck is equipped with a trailor hitch for forest fire trailer.

Ladder Company No. 1

Mack city service ladder truck with 750 GPM pump, 500 feet of 2½ inch hose, 281 feet of ladders, 1 deluge set, 1 cellar syphon, 1 life net, 3 hose covers, 1 complete lighting plant consisting of 1 5,000 watt generator, 1 1,500, 1 1,000 watt floodlight, 2 250 portable lights, 2 2½ gallon soda and acid extinguisher, 2 lengths of 5 inch hard suction hose, 17 uniforms, 1 officer's hand light.

Special Service Truck

Lincoln Special Service Truck, 400 feet of 1½ inch hose, 1 pure air positive press reblower, 2 pure air helmets or masks, 300 feet pure air hose. These masks are equipped with telephones, 1 H and H inhalator, 1 first aid kit, 2 drawers of first aid supplies, 1 1,500 watt generator, 1 500 watt, 1 250 watt lights, 1 officer's hand light, 2 salvage covers, 1 army type stretcher, 1 carbon dioxide extinguisher, 7 uniforms, 500 feet of ½ inch rope, 50 feet of ¾ inch rope. This truck is equipped with a trailer hitch for lifeboat trailer.

Forest Fire Trailer

This trailer carries pump cans, small tools and shovels, forest fire portable pump.

Chevrolet Truck

This truck is used for line work, picking up wet hose and other trucking for fire department.

There is on hand at the central fire station 3,700 feet of 2½ inch fire hose, 20 pump cans, 5 2½ gallons soda and acid extinguishers, 2 2½ gallons foam type extinguishers, 22 long handle shovels.

Buildings involved in fire, value	$251,600.00

Insurance paid for damage to contents	6,407.48
Loss on contents	1,202.00
Total loss to buildings and contents	5,545.50

Engineers' Report

The Department has made progress the past year in spite of war conditions. We have lost 18 men to the service and war industry, but insofar as possible we are replacing these men from our Auxiliary Department.

We have added a forest fire pump to the equipment of the department.

Also a two-way radio has been added to the equipment of the department and is proving very satisfactory. The fire department network at present consists of Manchester, Concord, Northwood, Wolfeboro and Franklin. It is working very satisfactorily. Our radio equipment is of the best and will prove its value in years to come.

The board recommends that an additional driver be added to the Department as the drivers are now working 130 hours a week. The additional driver will be used to shorten these hours and we feel and believe that it is for the best interest of the city to do so.

The board of engineers wish to take this opportunity to thank all those who have helped to make this a successful year. His Honor the Mayor, the Fire Committee and the City Council, to the Members of the Fire Department for their devotion to duty, we thank you for your past and continued support.

Chief Leslie Boomhower,

1st Ass't Chief Francis T. Butler,

2nd Ass't Chief Clarence L. Thompson.

Police Department

Report of Charles E. Legare, Chief of Police

To the Mayor and the City Council of Franklin; I herewith submit my report for the year 1943:

Drunk	39
Drunk and disorderly	10
Drunk and disturbing the peace	2
Drunk and breach of the peace	2

Appealed	2
Discharged	3
Nol prossed	5
Total	117

Receipts	$1,904.50
Disbursements	1,392.64
Balance to City Treasurer	$511.86

EDWARD L. WELCH,

Clerk of the Municipal Court.

Franklin Public Library

Librarian's Report

To the Trustees of the Franklin Public Library:

The present tendency of the times is change and it has fallen upon the library in Franklin during the past year. Mrs. John H. Starie, librarian for eight years, resigned to make her home elsewhere, having served the library and the community acceptably and well. Keeping the high standard set by Mrs. Barron Shirley, the first librarian, Mrs. Starie and the trustees, during recent years, have planned and accomplished additions in accommodations and equipment. Constant visitors have appreciated the modernization of their library and those who come only occasionally have been pleased with the result. On the main floor are linoleum floors in the reading rooms, rubber runners in the stack room, improved lighting together with attractive curtains and Venetian blinds at the windows, and the re-arrangement of office facilities, which have brought about what so many enjoy. The improvements make it possible for the staff to provide better and more efficient service to the patrons of the library.

Books

The shortages of paper and certain supplies are now felt in library circles and the local library is no exception. Fewer pages and narrower margins as well as less satisfactory paper are noticed in many books now being delivered. The publications are much more limited in choice and it is not a surprising matter, although disappointing, to find books actually out of print in three weeks' time. A much wanted title published by two publishers in U. S. A. and one in Canada could not be secured from any one of them. Book publishers were users of 142,036 tons of paper in 1942. Their allocation for 1944 is cut to 108,280 tons. Magazines used 941,000 tons in 1942 and are to have the use of only 711,500 tons in 1944.

The American Library Association in its annual year's end (1943) survey of reading interest among users of the nation's public libraries, reports an almost universal drop in reading but an apparent improvement in quality. Certain classes of books are naturally in greater demand owing to the war situation.

Although our local circulation is a decrease from that of last year it is a result of the times as noted by the survey of the American Library Association covering the libraries of the whole country. The hopeful factor is that those who have time to read do maintain or exceed their former standard of selection. It is always of interest to consider the trend in the reading taste of any community. Locally the interest in fiction has dropped 1½%, that in non-fiction is up 1% and the reading of the children of Franklin has maintained exactly the same percentage as that of 1942.

Interlibrary Loans

The importance of making the most of what one has extends even to libraries. The State Library has a growing union catalog of the holdings of libraries throughout the state. When any library requires a book not in its own collection, application may be made to the State Library which sends requested material, if in stock, or requests it sent from some other library listed as having the title. During the year the local library has borrowed 186 volumes from other libraries and made six loans from its own collection.

The Polish readers of the city have appreciated the two collections of books in Polish borrowed from the Division of Public Libraries of Massachusetts.

Statistics

Books

	Adult	Children	Total
Number of volumes at the beginning of the year	20,837	1,804	22,641
Number of volumes added	723	213	936
	21,560	2,017	23,577
Number of volumes withdrawn during the year	879	105	984
Total number of volumes at the end of the year	20,681	1,912	22,593

Number of magazines currently received: 85

Number of newspapers currently received: 6

Circulation

Number of volumes adult fiction borrowed	26,063
Number of volumes of children's books borrowed	11,677
Number of volumes of adult non-fiction borrowed	7,314
Number of magazines borrowed	1,888
Number of pamphlets borrowed	434
Total number of volumes borrowed in 1943	47,376
Per capita circulation	7.01

Trust Fund Purchases

Jeremiah Clark Fund: Twentieth Century Authors.

Helen Pike Parsons Fund: Junior Literary Guild books (four groups).

Anna G. Blodgett Fund: The third payment on the United States Catalog and Cumulative Index; Standard Catalog for High School Libraries, with supplements through 1946.

Contributors' Fund: Dewey Decimal Classification, 14th edition; Cumulative Index (current subscription).

Frank and Ella Chapman Fund: 43 volumes for the Children's Room.

Frank L. Morrison Fund: Atlas of American History.

The Building and Equipment

The fluorescent lighting installed in the reading rooms and in the lobby, also the new desk lamps at the charging desk and in the librarian's office, provide the library with an improved lighting system that is highly appreciated by the public and by the staff.

Important changes were accomplished in the basement. The fact that heat for the building comes from the central heating plant and because windows downstairs are exceptionally adequate made the finishing of two additional rooms a satisfactory project. The Draper Room was opened during the middle of the year. The walls are a soft green and the woodwork has a light finish. Fluorescent lights and Venetian blinds control the night and day illumination. A few sections of seats from Library Hall will seat a group of no more than forty persons. A long table with chairs about it makes provision for Library Board meetings. The same facilities serve research workers and others who use the local and state historical material and the music collection which are shelved in the Draper Room.

The front stairs from the entrance hall to the basement were reconstructed to give better access to the lower level.

A convenient work room was built in the northwest corner of the basement. A short stairway and an outside door were removed, and two windows with Venetian blinds installed, which insure good light for working purposes. The walls and the woodwork have the same finish as the Draper Room. A roomy supply closet houses the numerous items required in the running of a modern library. The work room also serves as a staff room when members of the staff are not on duty.

The file of periodicals, often as valuable for use as the book collection, has been cleaned, checked and re-shelved. Lights have been installed above the basement stack and the magazine shelves.

Library Grounds

The surroundings of the library have presented their usual pleasing appearance due to the proper care given by Mr. Fred K. Longley to the lawn, to the shrubs and to the flower beds. Spraying has protected the foliage of the elms and the lovely maple tree.

Schools

The cooperation between the library and the schools continues. The loan of approximately 500 volumes has been made to different schools. Groups of books on required subjects are displayed at the library simultaneously with the needs in the courses the schools offer. Continual reference work with students is a routine part of library service. Teachers have had the loan of many useful books on the subjects they teach.

During Book Week bookmarks containing information relative to the proper use and care of books were distributed by inclusion in all books circulated over the library desk and by distribution at school to Grades 4, 5 and 6 at the Parker C. Hancock School, at the Nesmith School and at St. Mary's Parochial School. Previously a good contact had been made with the grades just mentioned. A Readers' Club had been planned and one meeting had been held, but owing to staff illness it became necessary to cancel the plan for the winter.

Further school cooperation is referred to under the description of exhibits.

Exhibits

Apropos of the continually growing interest in other countries than our own, the library has sponsored exhibits to further information along that line. Latin America and China have been emphasized with displays of objects and pictures connected with the life of those countries. Several classes, with their teachers, visited the exhibitions. The display on China was the first of a series to be presented on Countries at War. Books and magazines on the countries are grouped as each country is represented. The library was fortunate in having Dr. and Mrs. Walter B. Cannon interested to loan many articles brought back from China, with many sketches and water colors done by their daughter, Marian, while living in China.

Photographs of Russian school children were taken to the Nesmith and to the Hancock schools.

Interest was shown in the two exhibits from high school classes. An English division, under the direction of Mrs. Marguerite Chamberlain, displayed an exhibit showing the make-up of a book and charts of the lay-out of the local library. History classes taught by Mrs. Marian G. Kimball loaned maps and sketches of China. These tied in nicely with the Chinese exhibit.

Holiday decorations at Christmas helped the spirit of the season. Green boughs and red candles on the mantels, wreaths and transparencies at some of the windows, two creches and Christmas groups in the reading room and the children's room, a small lighted tree at the desk and an arrangement of colored reproductions of Madonnas framed with sprigs of green were admired.

Other Uses of the Library

Library Hall or the Draper Room have been a meeting place for the Franklin's Woman's Club and the Red Cross Executive Board, with occasional use by the League of Women Voters, the Farm Bureau, the Y. W. C. A. and some defense meetings.

The Staff

A change of librarians took place October first. Mrs. John H. Starie left to live in Madison, N. H., where her husband had become headmaster of the high school. Miss Mildred J. Peaslee of the City Library staff, Manchester, N. H., succeeded Mrs. Starie. By a strange coincidence the three present members of the library staff have all had varied hospital experiences, as patients, within less than six months.

Mr. Ralph C. Colcord has continued his good care of the building. His former experience as a painter and decorator has been a benefit to the library in the finishing of the new rooms in the basement.

Library Meetings

Mrs. Starie, librarian, and Miss Davis, library assistant, attended sessions of the New Hampshire Library Association at Manchester in June. During Book Week, in November, Mrs. John S. Shepard, Sr., library trustee, and Miss Peaslee, librarian, attended an Author Tea which was sponsored by the Gale Memorial Library and the Laconia Evening Citizen at the Laconia Tavern.

Gifts

Two paintings loaned by the Vose Galleries, to which reference was made in last year's report, have become library property through the generosity of Mr. Walter F. Duffy. The lovely paintings are enjoyed by many visitors and the following information about their respective artists will be of interest. **High Sierras,** by J. Bond Francisco, Ohio born, hangs above the fireplace in the west reading room. This artist was also an accomplished violinist, having studied art and music abroad, and later conducted an art school in Los Angeles. His influence was strongly felt in western United States for he displayed great ability in painting trees and the mountain atmosphere of California. In his later years Mr. Francisco was the most successful artist on the Pacific coast. **Just After Haying Time,** by Robert Strong Woodward, hangs on the south wall of the reading room. It is a delightful landscape by a New England artist, Massachusetts born and still a resident of that state. **After Early Frost,** another work by this artist, an earlier gift from Mr. Duffy, hangs in the librarian's office. Mr. Woodward's works of art hang in many museums, colleges and public buildings of the country.

The re-framing of the copy of the Duplessis **Benjamin Franklin** in a period frame has given added interest to the familiar portrait.

A disbanded music group has made a gift of 89 titles (548 copies) of selections which it owned. These are welcome additions to the music collection.

A useful gift of money for attractive flower vases was made by Miss Elizabeth B. Shirley.

Flowers were presented during the year by Miss Mary F. Davis, Miss Maude E. Judkins, and Mr. Warren Heath.

The library receives annually gifts from different organizations, reports from several city and state departments, publications of the United States Government and books from various publishers, as well as gifts from individual local and out-of-town donors. During 1943 the total has been 107 volumes and 20 periodical subscriptions.

Among local donors are Franklin Lodge Polish National Alliance, Mrs. A. M. Hancock, Mrs. Frank Kus, Mr. Lee Russell, Mr. Richard Pohle, Mrs. Ina M. Brocklebank, The Currier Studio, Miss Mary E. Burleigh, Dr. and Mrs. Walter B. Cannon, Mr. Frank Buczynski, Dr. William E. Smith, Mrs. S. Ranson Calley and Mrs. Ellen E. Webster, and those who donate magazines through the year.

The appreciation of the trustees and the library staff is extended to all donors for their remembrance of the library and its needs.

There has been presented herewith a report on the library and its activities during the year of 1943, of which I have served only the last three months, and therefore the credit for the principal accomplishments of the year belongs to the former librarian, Mrs. John H. Starie.

Respectfully submitted,

MILDRED J. PEASLEE, Librarian.

Board of Education

SUPERINTENDENT'S REPORT

In our last report, we called attention to the war work the schools were doing in buying stamps and bonds; to the splendidly organized physical fitness program and the excellent results therefrom.

These activities are still functioning in a very satisfactory manner, and with the use of the new athletic field the efficiency of the physical fitness program should be much increased this year.

The general work of the schools has been much the same as usual except, possibly intensified. The new courses introduced this year have proven interesting, popular and valuable. These courses were "Fundamentals of Electricity", "Fundamentals of the Radio", "Fundamentals of Shop Work", "Radio Code Practice", and "Fundamentals of Machines".

The enrollment in the public schools this last September 30 was smaller than that of last year at the same time by about 60.

The Senior Class now has 55 members. Probably four of this number will enter the service before June. This is the smallest senior class since 1932.

Defense Training Class

The Defense Training Classes in the state were organized in July, 1940. The Franklin classes have the distinction of being the only such classes in the state that have carried on the work continuously from that time and are still functioning. The possible exception might be Portsmouth where trainees are furnished by the navy yard. The classes at present are larger than for several months.

Finances

The School department closes its year with a deficit, due largely to the fact of losses in anticipated revenue, and the increased amount of coal consumed this past year.

Tuition from surrounding towns has been growing less for reasons stated in last year's report. It was less this year than the year before. Every loss in receipts means an additional amount added to the budget.

Handicapped Children

It became apparent that many children were failing in class work because of poor hearing. For the benefit of these children, an expert teacher of lip reading was secured and has had classes for several months. The results have been good (See report of Mrs. Hammond).

Under state law, any child unable to attend school for physical reasons must be furnished with instruction at home. We have a few such persons and employ a special teacher for them.

School Meeting

At the annual district school meeting held December 22, Leo Connors was reelected a member of the School Board for the ensuing three years.

School Band

The school band has in reality become a community musical organization. Every public occasion where music is desired, indoors or out, the school band is called upon. It has served the community in the same manner the old "City Band" did for years, and is doing satisfactory work.

The past year the school board has employed as director that excellent band leader, Joseph Ladd. "Joe" inspires every player to do his best and has given the school and community a good band.

It is hoped his services can be secured for 1944.

Roger S. Martin Memorial Field

The above picture shows baseball diamond and gridiron goal posts marking ends of the football field. Not pictured is a long right and center field, an all steel telescope flag pole to the right and backstop at upper left.

Roger S. Martin Memorial Field

November 11, 1943, Armistice Day, was a great day for Franklin High School and for Franklin. On that day was dedicated the new athletic field which has been in the process of making for nearly two years. A crowd estimated at 3,500 people was present for the occasion. The governor of the state was a guest speaker together with "Bill" Cunningham and Mayor Proulx. The exercises were appropriate and carried out excellently in every particular.

The Field was named in honor of the first soldier boy from Franklin to lose his life in World War II, Roger S. Martin, a graduate of Franklin High School, Class of 1938.

The Field is undoubtedly the best school athletic field in New England. It will mean much to the future sport and physical fitness activities of the school.

After the dedication exercises, the first sport event to take place on the new field was the football game between Laconia High and Franklin High. Franklin won this game 13-0. This victory might be called the climax to the end of a perfect day.

The credit for the school having such a field is due largely to Mayor Henry J. Proulx, who has always had a keen interest in athletics in the school and community.

Dedication Program

PARADE—12:30 P. M.

Chief Marshal, Howard R. Kelley

I. Police Detail.
   Colors
   Band
   3rd Company New Hampshire State Guard

GAME—2:30 P. M.

Football Game: Franklin vs. Laconia

DANCE

Armistice Day Dance. 8:00 P. M.-1:00 A. M.

F. H. S. Auditorium

Bill Emerson's Orchestra

The needs now are to equip the field with bleachers in sufficient number to accommodate, not only the probable needs of the School, but also of the community, and to construct a running track and other necessary equipment for field events.

FRED S. LIBBEY,

Superintendent of Schools.

January 1st, 1944.

FRANKLIN HIGH SCHOOL HEADMASTER'S REPORT

January 1, 1944

To the Superintendent of Schools:

The enrollment of the High School is continuing to drop. To date this year, there have been 232 pupils enrolled as follows: Seniors 60, Juniors 76, Sophomores 96. This is 58 less than last year. Since September, we have lost 12 pupils for the following reasons: to enter the armed services 2, to go to work 7, transferred to other schools 2, failure in studies 1. There are now only 55 members of the Senior class.

The citizens of Franklin can be justly proud of the way their children, and their schools are participating in the war effort. During the first year of war, the part that the High School and its pupils needed to take in total war was carefully studied. Many changes have resulted in the curriculum and extra-curricular activities of the school. The objective of the High School now is to train every pupil in such a way that he or she will be trained to the limit of natural ability before entering the armed services. At the same time the pupil is being trained to be a useful peacetime citizen.

Besides the usual High School subjects which are still offered, this year courses have been started in Fundamentals of Radio, Radio Code Practice, Fundamentals of Electricity, Fundamentals of Machine, Fundamentals of Shop Work, and Emergency Mathematics. These have proved so valuable that I doubt that any of them will ever be discontinued. The science courses (Chemistry, Physics and Biology) and the fundamentals courses now meet ten periods a week instead of seven.

This year every pupil who is physically able is taking Physical Education five periods a week. The doctors and dentists of Franklin very generously gave their time so that every High School pupil and all pupils of the 9th grade had a complete physical and dental examination. Many of these pupils availed themselves of the opportunity to be insured against accidents during school activities. At the same time the height and weight of every pupil was taken and they are being checked at intervals through the year.

One period a week is devoted entirely to war activities under the supervision of Mr. Joseph Burleigh and the Student Council. All boys are being instructed in Military Drill by Major Kelton of the N. H. State Guard. The girls are in several club activities. These are: Safety Club, Knitting Club, Sewing Club, First Aid, and three clubs for making useful and entertaining articles for wounded soldiers. The Student Council is also conducting the War Bond and Stamp campaign. The largest sales for one day were at the War Bond assembly held September 29, 1943, when $1950 worth of bonds were sold. The total sales to date are just under $3000.

With the dedication of the Roger S. Martin Memorial Field, the athletic facilities of Franklin became complete. The very successful dedication program was made possible by the fine cooperation of everyone that had a hand in its planning and execution. The victory that day was a tribute to the men and women of Franklin in the Armed Services. The good sportsmanship shown by players and rooters has set the example to be followed in the years of activities that this field will make possible.

In closing, I wish to express my sincere appreciation to the School Board, Superintendent, teachers, pupils and parents for their cooperation in continuing the development of Franklin High School as one of the leading schools in the state.

Respectfully submitted,

JOSEPH J. CASHMAN, Acting Headmaster.

PRINCIPAL'S REPORT, JUNIOR HIGH SCHOOL

Mr. Fred S. Libbey,
Superintendent of Schools,
Franklin, New Hampshire.

Dear Mr. Libbey:

As I submit the 19th annual report of the Daniell Junior High School I might well refer every reader to the first paragraph of the report for 1942. The chaos of the world remains the same from this school's standpoint, for practically every family represented here is represented on every battlefield, in every air raid, in all camps, or on the sea. Such closeness to danger means fear and uneasiness at home, which in turn accounts for the extreme restlessness among our pupils.

We are, therefore, striving to build into the characters of all these boys and girls stability, resourcefulness, tolerance, and a sense of right values. Again we solicit your help as you work at home for and with your children.

It seems fitting that I should mention our former teachers who are today in the service of our country. Staff Sgt. Thomas McCullough is stationed in the Aleutians; Cpl. Ruth Murray is at Stockton Field, Stockton, California; Christine Zubaitis is a WAVE, instructor in Northampton, Mass.; and Sgt. George A. Donovan is at Fort Custer, Michigan.

It may be of interest to you to know that Daniell Junior High School has received a citation from the United States Treasury Department for service to the War Savings Program through the purchase of bonds and stamps. Between September 8 and December 7 pupils purchased bonds and stamps amounting to $1844.85. They voted to have this money spent for a jeep, a life float, and a parachute and it is so stated in the citation.

We are proud and happy to announce the fulfillment of another dream, for at last we have a "Print Shop". This has been made possible by money left by out-going classes and by a generous contribution from the School District. At present we have one small press, but a larger one has been ordered. Thus far, several very creditable printing jobs have been done and it is our hope to be able to do the small jobs needed by all of Franklin's schools. We are not offering a course in printing yet, but if all goes well the near future will doubtless see such instruction a valuable addition to our curriculum.

A very valuable addition to our school health program has been the lip-reading class which meets once a week in the junior high school library and is taught by Mrs. Catherine Hammond of Manchester. Mrs. Hammond is one of very few lip-reading teachers in New Hampshire and is considered most able to deal with pupils handicapped by deafness. Each public school and St. Mary's school has one class per week and we have found here a decided improvement in attitude, morale, and general work in the pupils in her class. Please read Mrs. Hammond's more detailed report on this work and Miss Moynihan's report on the orthopedic clinic which has been held here for several years.

As a prerequisite to the physical fitness program carried on at high school, we have scheduled two physical training periods per week and two hygiene periods per week for pupils in grades

seven and eight. The ninth grade classes meet daily for physical exercises. This program is not peculiar to Franklin schools but is required for all secondary schools by the State Department of Education in Concord.

It has been the purpose of the junior high school principal and staff to keep the daily routine on even keel that our service to the boys and girls with whom we work may aid them in meeting their obligations and tasks in tomorrow's world.

Again teachers and pupils feel words are inadequate to express suitable appreciation to Mr. Sidney Holmes for his tireless efforts and patience in providing interesting and worthwhile recreation for the pupils at all hours of the day. None of this is a part of Mr. Holmes' work but is done purely for the happiness and enjoyment of those participating.

In conclusion, may I again urge parents to visit our school and become acquainted with the purpose of our efforts.

Respectfully submitted,

BESSIE C. ROWELL, Principal.

SCHOOL NURSE'S REPORT

January 4, 1944

Mr. Fred S. Libbey
Superintendent of Schools
Franklin, New Hampshire

Dear Mr. Libbey:

The need of precaution against tuberculosis in children is particularly urgent because of its frequently insidious development. Childhood tuberculosis may show few or no symptoms of the disease. Any child who has a poor appetite, is underweight, pale, tires easily, suffers from repeated colds, or has a persistent cough should be examined. Two chest clinics were held in January and June 1943. The clinics were in charge of Dr. Robert Kerr

assisted by Dr. A. U. Palma of Pembroke. The total attendance was 110.

Number of children attending	58
Number of adults attending	52
New cases	69
Old cases	41
Number improved	32
Number given the Tuberculin Skin Test	54
Number of X-rays taken	35

The children in the elementary schools were weighed four times and measured twice during the year. This affords the nurse and the teacher an opportunity to check any loss of weight.

Conferences were held with pupils, parents, social workers and public health nurses.

Children who failed to pass the hearing test last year, all new pupils and pupils entering the third grade for the first time had their hearing tested with the No. 4 type Audiometer. This machine has been donated by the American Legion 40 and 8 of Merrimack County, and is to be used in that county. We have found it unsatisfactory to test the pupils in grades below the third grade.

Children with defective hearing are now able to secure special training in lip reading. These classes are conducted weekly by a trained lip reading teacher, Mrs. C. E. Hammond of Manchester, New Hampshire. These classes are divided into the following groups:

First group composed of Senior High School pupils.

Second group composed of Junior High School pupils.

Third group composed of pupils from the three elementary schools.

These classes were started September 23, 1943. I refer you to Mrs. Catherine Hammond's report which I have enclosed.

Malnutrition, which is prevalent among all ages and classes of society, is of particular importance when found in the school child. Upon proper nutrition depends in no small measure both scholastic achievement and the proper adjustment of the child to school situations. While improper food or lack of food is the chief factor in malnutrition, there are other important contributing factors. Among these are physical defects, such as bad

teeth, tonsils, fatigue, lack of sleep, and hypertension, too much excitement and improper eating habits. The child who is malnourished, hungry or tired cannot be expected to do his best work in school. In this connection, we cannot overestimate the value of milk served to our school children during the morning recess. We had hoped that every child in our school system would take advantage of the offer of one-half pint of milk for the cost of one cent. The following figures will be of interest:

Number of bottles of milk served from January 1943 to January 1944:

Hancock School	26,621
Nesmith School	19,905
Senior High School	8,381
Junior High School	19,050
St. Mary's School	36,576

The Franklin Rotary Club sponsored their annual tonsil clinics during the months of June and July. The Club has been carrying on this project for the past 12 years. This year the Club cared for 26 cases. Ten tonsil cases were cared for privately.

Classroom inspections were held for cleanliness, symptoms of communicable diseases, and pediculosis (head lice). We are still at war fighting an enemy known as head lice. The cooperation of the home is very necessary. One cannot do this alone, as teamwork on the part of all concerned is essential.

The physical therapy center at the Junior High School was held once a month. Nineteen children are receiving treatments. We regret to announce that Mrs. Carrie Price, R. N., who has been in charge of this center, has left the employment of the State Board of Health in Concord, and up to date, this vacancy has not been filled. Mrs. Price deserves a great deal of credit for the valuable treatment she has given to our Franklin children.

1,375 children were examined by the nurse.
425 children secured dental corrections.
57 children received vision corrections.
1,256 school visits.
648 home visits.

Defective physical condition in the school child often results in school retardation, lack of interest and application, and poor personality development. Unfortunately, many physical defects

may exist for several years without being recognized. During this time, the child struggles with his class work with little hope of success because of his handicaps. The desire to be physically fit is great among students in secondary schools today. Students want to prepare themselves to help win this war as active members of the armed forces, efficient workers in production line, or workers in community services.

In order to discover and correct whatever physical and sensory defects might be present, a physical examination of all pupils participating in the "Physical Fitness Program" was inaugurated in the Senior High School this year. This program consisted in the examination of the heart, lungs, and investigation of symptoms of hernia by Doctors Adams, Kropp, McQuade, Smith and Weissman. The dental examinations were performed by Doctors McKee, Sullivan, Sawyer and Sargent. The total number of pupils examined were:

Pupils examined	194
Pupils found unfit due to various reasons..	11
Pupils found with defective teeth.....	119
Pupils with dentals corrections.....	75

After the examinations, classes in "Physical Fitness" were begun under the supervision of Coach Richard Eustis, Miss Freda Kyrka, Miss Catherine Sullivan and Miss June Dolloff.

In submitting this report of the Franklin schools for the school year of January 1943 to January 1944, I wish to express my gratitude to the Directors of the Tobie Trust Fund, Franklin Rotary Club, Mayor Proulx, the doctors and dentists of Franklin, Mr. Libbey, members of the School Board, teachers, parents, and pupils for their wholehearted cooperation during this past year.

Respectfully yours,

MARION MOYNIHAN, R. N.

REPORT ON LIP READING FOR FRANKLIN

House Bill, No. 342, State of New Hampshire, 1939, requires special education for handicapped children. Partially deafened children are included in these groups. Early in 1940, lip reading instruction was started in many school districts for these children with impaired hearing. Since then, the program has grown to a great extent, and now, where adequately trained teachers in this special field are available, this instruction is provided.

Lip reading trains the child to use his eyes and mind to help his dulled ears. This training in alertness and concentration improves his work habits and frequently prevents retardation which is an expense to the school district and a humiliation to the child. Furthermore, alertness is developed in body movements which appear to add intelligence and certainly develop a more attractive personality.

The time to start lip reading is when the child is young. Then he is naturally more observant and will become eye-minded. In fact, some will become so expert that progress in school will be normal, and in some cases, above normal.

Lip reading when taught in childhood will function as an educational factor and, also, prevent some of the psychological upsets which are so common in the partially deafened adults who have not adjusted their lives to the handicap.

There are three steps to be carried out in the program for the partially deafened children:

1. Audiometer testing.
2. Medical follow-up.
3. Educational follow-up which is lip reading.

Selection of pupils for the lip reading classes:

1. All pupils who have a 12 or more sensation unit average loss.
2. All pupils, however slight the loss, with progressive deafness.
3. All pupils whose hearing status is doubtful and who are not making normal progress with their group.

Children receiving lip reading instruction for four hours a week in groups from September 23 to December 1:

1. Elementary: 5
2. Junior High: 5
3. Senior High: 4
4. Elementary: 5

For three hours a week from December 1 on:

1. Elementary: 8
2. Junior High: 5
3. Senior High: 3

(MRS.) CATHERINE E. HAMMOND,

Special Teacher of Lip Reading.

SCHOLARSHIP FUNDS

Sanger Scholarship

Resolved by the Board of Education of Franklin:

Whereas, Warren F. Daniell has by his written communication addressed to the Board of Education, expressed his intention of establishing a free scholarship for graduates of the Franklin High School in Simmons College in honor of his mother, and to be known as the "Sanger Scholarship", and agreeing to pay annually a sum sufficient to pay the costs of tuition for one student for four years in any of the courses described in the catalogue of the College, and

Whereas, a student to be awarded this scholarship must comply with the following regulations: First, she must have completed four years' satisfactory work at the Franklin High School; second, her parents must reside in Franklin; third, the student's parents must be unable without undue deprivation to pay the tuition themselves.

Be it resolved: That the Board of Education of the City of Franklin fully appreciate the spirit that prompted Mr. Daniell to establish this scholarship for the benefit of the young women of said city, thereby creating an additional incentive for higher educational advantages: and

Be it further Resolved: That said Board of Education willingly accepts said trust: and

Be it further Resolved: That a permanent Committee on Scholarship shall be established to consist of the Chairman of the Board of Education, the Superintendent of Schools and the Headmaster of the High School of said city, and

Be it further Resolved: That this resolution shall be printed annually in the school report of said Board.

Franklin Student Aid Fund

To the Mayor and Members of the City Council, Franklin, N. H.:

In June, 1921, I placed with Dartmouth College at Hanover, N. H., a fund of $2,500.00—the income from which I wished to be used to assist under certain conditions students at that institution who were residents of this city.

It was found incompatible with the methods of disposing of the funds at Dartmouth College, to handle this fund under the con-

ditions which I wished to impose—and for that reason I have transferred this sum from Dartmouth College to the City of Franklin.

I am attaching herewith the securities representing the fund together with a statement of the methods I wish followed in disposing of the income from the fund.

Respectfully yours,

WALTER F. DUFFY.

Franklin Student Aid Fund

Established by Walter F. Duffy, June, 1921.

A sum of $2,500.00 is entrusted to the City of Franklin, N. H., the income from which is to be used to assist worthy boys and girls, residents of this city, to secure a collegiate education or its equivalent.

The recipients of the income from this fund are to be selected by a board of three consisting of the Chairman of the Board of Education, Superintendent of Schools and Principal of the High School of the City of Franklin, N. H.

The income from this fund is to be disposed of under the following fixed conditions:—

I. Scholarship

A student must attain such satisfactory standing in studies as to make it apparent to the authorities of the institution of learning where he attends, that it is advisable that the student pursue his studies and that he is on this account worthy of financial aid.

II. Financial Needs

It is to be required that the students who receive benefit from this fund shall be obliged, through lack of family financial resources, to earn at least a substantial part of the money necessary to meet the expenses of their attendance upon their studies.

III. General Restrictions

It is to be understood that in alloting the proceeds of the fund, preference is to be given to students at Dartmouth College, Hanover, N. H., who are residents of the City of Franklin, N. H. If no such students apply for the benefits of this fund, then the

income can be used to assist any boys or girls who are residents of the City of Franklin, N. H., and who are pursuing a course of studies in any institution of learning giving a collegiate education or its equivalent, provided that the first two conditions covering the disposition of the benefits of this fund are fulfilled.

It is also to be understood that the income from this fund may be divided between two or more students, and that any students who receive financial aid from the institutions of learning where they attend are not thereby prevented from receiving aid from this fund.

If no students fulfilling the above requirements apply for the benefit of this fund the proceeds may be used as they accrue each year as seems best to the three persons mentioned above for the general educational good of the citizens of Franklin, N. H.

Daniell Scholarship

In the year of our Lord one thousand nine hundred and fourteen.

A resolution relating to the "Daniell Scholarship".

Resolved by the City Council of the City of Franklin, as follows:

Whereas, Jere R. Daniell of New London, Connecticut, on the second day of April 1914, by his written communication of that date, addressed to the Mayor and Council of the City of Franklin, expressed his intention of establishing a free scholarship for graduates of the Franklin High School to the Massachusetts Institute of Technology, in memory of his father, the late Warren F. Daniell, and to be known as the "Daniell Scholarship", and together with his letter of the 16th of May, 1914, in which he agreed to give the sum of two hundred and fifty dollars each and every year, hereafter, beginning September 1st, 1914, to cover the cost of tuition for one student for four years in any one of the courses described in the catalogue of the Institute, and,

That a student to be awarded this scholarship, in whole or in part, must comply with the following named conditions:

First. He must have completed four years' satisfactory work at the Franklin High School.

Second. His parents or parent must reside in Franklin, and be unable without undue deprivation, to pay the tuition required themselves.

Third. He must show during his four years' work at the High School, marked ability in some one of the several subjects covered by the Institute courses.

In case several candidates present themselves in any one year, the scholarship will be awarded by competition in the entrance examinations for the Institute. The candidate entering with highest standing to receive the award.

A holder of the scholarship will be expected to maintain the same standard of work at the Institute as that required of holders of regular Institute Scholarships and the scholarship will be withdrawn in case the work is unsatisfactory.

The right is reserved to divide the amount of the scholarship among several applicants should such action seem desirable.

Be it Resolved, That the City of Franklin fully appreciates the spirit that prompted Mr. Daniell to establish this scholarship for the benefit of the young men of said city, thereby creating an additional incentive for higher educational advantages in those who through misfortune or adversity would otherwise be prevented from obtaining the same; and

Be it further Resolved, That said City willingly accepts said trust, and does hereby direct that the annual payment of the sum of two hundred and fifty dollars shall be made to the City Treasurer, who shall pay the annual tuition of said student or students upon the presentation of the bill for same by the Bureau of the Institute, and,

Be it further Resolved, That a Permanent Committee on Scholarship shall be established to consist of the Chairman of the Board of Education, the Superintendent of Schools and the Principal of the High School of said City of Franklin, and

Be it further Resolved, That this resolution shall annually be printed in the reports of said city.

Approved, W. W. EDWARDS, Mayor.

Passed June 1, 1914.

Resolutions

RESOLUTION

In the year of our Lord one thousand nine hundred and forty-three.

A Resolution relating to hiring money.

Resolved by the City Council of the City of Franklin, as follows:

That, the Mayor and City Treasurer are authorized to hire money to pay the current expenses of the several departments and any outstanding notes, bonds, or evidences of debt of the City, becoming due and to give promissory notes of the City therefor.

Approved: HENRY J. PROULX, Mayor.

Adopted: January 4, 1943.

A true copy attest: Mildred S. Gilman, City Clerk.

A true copy attest: Mildred S. Gilman, City Clerk.

RESOLUTION

In the year of our Lord one thousand nine bundred and forty-three.

A Resolution relating to condemnation proceedings for land taken by the U. S. Government.

Resolved by the City Council of the City of Franklin, as follows:

That, in connection with the condemnation proceedings, United States of America vs. 24.11 acres of land in Merrimack County, New Hampshire, the City of Franklin et al., Civil No. 166, now pending in the United States District Court for the District of New Hampshire, the Mayor be and he hereby is authorized for and on behalf of the City of Franklin to execute with other interested parties, if any, and the United States of America the following stipulations as to just compensation and all other necessary papers, for the taking of tracts numbered 32, 33, and 161 involved in said proceedings:

1. That the sum of $700.00 is just compensation for the taking of Tract No. 32 and that the City of Franklin will accept such proportionate share thereof as the City of Franklin is entitled to by virtue of a tax collector's deed dated March 10, 1933, recorded in Merrimack County Registry of Deeds, Volume 534, Page 249, said deed being of land sold to the City of Franklin for the taxes assessed to Amos J. Parent for the year 1929, which proportionate part the Mayor is authorized to agree upon with any other parties claiming an interest in said Tract.

2. That the sum of $750.00 is just compensation for the taking of Tract No. 33 and that the City of Franklin will accept such proportionate share thereof as the City of Franklin is entitled to by virtue of a tax Collector's deed dated March 10, 1933, recorded in Merrimack County Registry of Deeds, Volume 534, Page 249, said deed being of land sold to the City of Franklin for the taxes assessed to Amos J. Parent for the year 1929, which proportionate part the Mayor is authorized to agree upon with any other parties claiming an interest in said Tract.

3. That the sum of $50.00 is just compensation for the taking of Tract No. 161, said tract being the same land described in a tax collector's deed dated October 7, 1938, recorded in Merrimack County Registry of Deeds, Volume 560, Page 24, sold to the City of Franklin for taxes assessed to Fred Minzer for the year 1935.

Approved: HENRY J. PROULX, Mayor.

Passed: August 2, 1943.

A true copy attest: Mildred S. Gilman, City Clerk.

RESOLUTION

In the year of our Lord one thousand nine hundred and forty-three.

Resolution relating to the naming of the Athletic Field.

Resolved by the City Council of the City of Franklin, as follows:

That, at the dedication of the New Athletic Field, it be named the Roger S. Martin Memorial Field as a symbol and in honor of all our boys and girls serving in the Armed Forces of the United States.

Approved: HENRY J. PROULX, Mayor.

Passed: October 4, 1943.

A true copy attest: Mildred S. Gilman, City Clerk.

RESOLUTION

In the year of our Lord one thousand nine hundred and forty-three.

A Resolution relating to condemnation proceeding, Civil No. 166.

Resolved by the City Council of the City of Franklin as follows:

That, Henry J. Proulx, Mayor of the City of Franklin, be and he hereby is authorized on behalf of the City of Franklin to execute all necessary stipulations that the sum of thirty dollars ($30.00) is just compensation for the taking by the United States of America of the city's interest in Tract No. 33 and the sum of ten dollars ($10.00) is just compensation for the taking of the city's interest in Tract No. 32, both of said tracts being involved in condemnation proceeding, Civil No. 166, entitled United States of America vs. 24.11 acres of land, etc., now pending in the United States District Court for the District of New Hampshire. The said Mayor of the City of Franklin is further authorized to execute in behalf of the city all other stipulations and agreements in connection therewith by which the city shall receive said sums in full compensation for its interest in the aforesaid tracts.

Approved: HENRY J. PROULX, Mayor

Passed: December 15, 1943.

A true copy, attest: Mildred S. Gilman, City Clerk

Ordinance

AMENDMENT TO SUNDAY ORDINANCE

An amendment relating to Sunday Ordinance.

Be it ordained by the City Council of the City of Franklin as follows:

Amend Section 2 of Chapter 22 by striking out the words 6 o'clock and substituting the words 3 o'clock so that this section shall read as follows:

It shall be lawful for motion pictures, lectures, concerts, and theatrical or vaudeville performances to be held on the Lord's Day in the City of Franklin, but not before 3 o'clock in the afternoon, and such entertainments may be regulated by licensing or otherwise as the Mayor and City Council may deem best.

Approved: HENRY J. PROULX, Mayor.

Passed: August 1, 1943.

A true copy attest: Mildred S. Gilman, City Clerk.
